## There's a reason why AKW are #1...

1 manufacturer. 1 distributor. 1 technical helpline.

### Smart Technology Wireless Pump Interface

With AKW you can order the iCare shower, pump, waste and wireless interface all from one manufacturer. So why not order an iCare bundle today for a super quick and easy installation? No wires, no mess - just a digital pump working seamlessly with an iCare shower to match the rate of flow and all done whilst virtually silent in operation using AKW's Silentflow+ waste. Because all these products are designed, manufactured and supported by AKW, we promise a no hassle installation process backed up by our fully trained technical team.

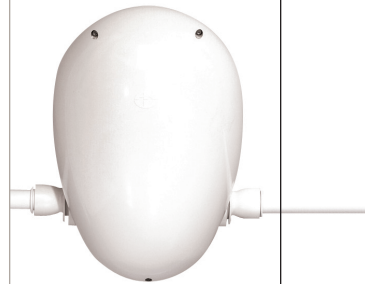

- + IP45 rating so it is safe to be fitted within the showering area
- + Replaces flow meter on pump connection
- + Supplied with matched shower PCB and pump interface box
- + Can be fitted inside the pump case or on the wall
- + Requires no separate power supply (taken from pump signal wires)
- + Compatible with all AKW digital M pumps: M11, M17, M21

### AKW Digipump Range

Designed and manufactured by AKW, our comprehensive range of digital shower waste pumps suit installations where gravity drainage is not achievable.

- + Quiet in operation
- + Compact and discreet design
- + Non-handed units for left or right inlets
- + Even easier to install with AKW's wireless interface
- + IP45 rated and suitable for install in zone 1 or zone 2 of a shower room
