

Product Overview

The stylish Livenza Plus WC has been designed to complement any bathroom look with a contemporary yet classic aesthetic, a rimless toilet pan, fully compliant cistern, and a choice of seat and flush options.

Features & Benefits

- + Rimless toilet pan with direct flushing technique offers improved hygiene levels by reducing the build-up of bacteria and making cleaning easier
- + Pan can support up to 60st (400kg) to cater a wide variety of users
- + Rounded edges and corners reduce the risk of injury in the event of a trip or fall
- + Two contemporary seat options - Carbamide model offers extra strength and durability, with our polypropylene PP seat a stylish, cost-effective solution - both feature soft-close hinges which are slower, quieter and safer for users, and support up to 23.5st (150kg)
- + BS EN 997 approved toilet pan for guaranteed flush performance
- + Available with either a raised push button or spatula lever flush, both of which can be easily operated by hand, closed fist or elbow
- + Lever flush can be installed left or right-handed
- + Full (6 litre) and reduced flush options increase performance and water efficiency
- + Cistern is fitted with a top-fill inlet valve that has an all round air gap which fully complies with the current UK Water Regulations
- + Overflow pipe is 300mm above pan rim, fully complying with current UK Water Regulations
- + Bottom inlet water connection simplifies pipework
- + Horizontal outlet waste connection for easy installation and maintenance
- + Includes easy-to-secure floor fixings and white cosmetic caps to prevent rusting
- + Pan, seat and cistern (inc. flush mechanism) supplied separately
- + Components are individually packaged with recyclable material to prevent damage during transit
