

## Product Overview

Livenza Plus wash basins are designed to be both practical and beautiful; available in three widths with the choice of semi or full pedestals to provide stability and conceal unsightly pipework.

## Features & Benefits

### Wash Basins

- + Available in three widths: 450mm, 500mm & 550mm
- + Contemporary yet functional design, with a flat tap deck providing a level surface which is easy to clean
- + Rounded edges and corners reduce the risk of injury in the event of a trip or fall
- + Choice of one or two tap holes, allowing for the use of twin basin or mixer taps
- + One tap hole basins allow for the use of either a clicker waste or a plug and chain waste plus anchor point option, both of which are available to purchase separately
- + Two tap hole basins feature a chain stay hole, with plug and chain waste available to purchase separately
- + Supplied with fixing kit as standard
- + For additional support, a wash basin bracket is available to purchase separately

## Features & Benefits

### Pedestals

- + Choice of semi or full pedestals, which complement the Livenza Plus range of wash basins
- + Ultra stylish semi pedestal design gives the illusion of greater space, allows for much easier cleaning and convenience, whilst also providing closer access for seated or wheelchair users
- + Full pedestal design provides a more traditional aesthetic, offers greater stability, and cleverly conceals plumbing
- + Pedestal, waste and taps supplied separately
- + Fixing kit supplied with the semi pedestal to provide ease of installation

## Livenza Plus

## Guarantee & Approvals

- + Lifetime warranty
- + BS EN 14688
