

## Product overview

AKW supply a range of mobility ramps to provide solutions to a variety of access needs. Threshold ramps are available in two heights: 77mm and 156mm.

## Features & benefits

- + Offers a simple and versatile solution for everyday use
- + Moving and carrying ramp to accommodate needs is easy thanks to the use of lightweight materials
- + Constructed from glass reinforced plastic (GRP) with smooth moulded side upstands and corners
- + Ramp surface provides colour contrast for those with visual impairment
- + Designed with user safety in mind to ensure ease of use and help to avoid slips, trips and fall
- + Durable materials ensure the longevity of the product, which is also backed by a lifetime guarantee
- + Strong weight capacity of 47st / 300kg ensures ramp is suitable for a wide range of user requirements
- + Available in two heights: 77mm and 156mm

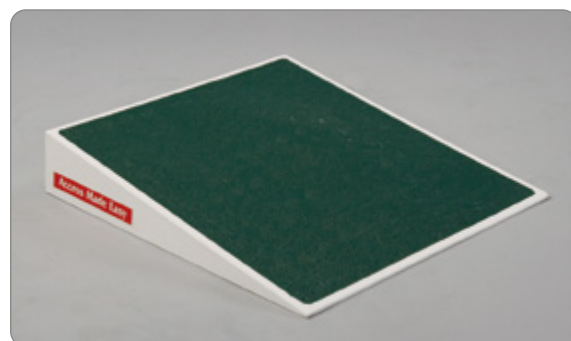

## Product specification

### + 77mm ramp:

Length: 457mm  
Width: 781mm  
Internal track width: 730mm  
Weight: 4kg

### + 156mm ramp:

Length: 914mm  
Width: 820mm  
Internal track width: 737mm  
Weight: 8kg

## Product codes:

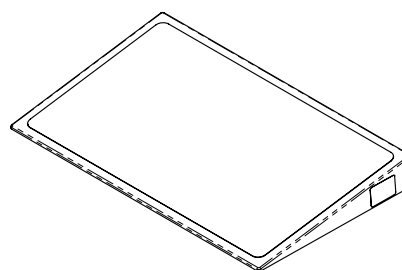

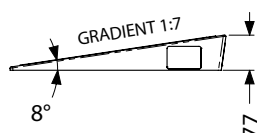

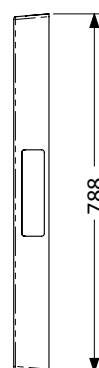

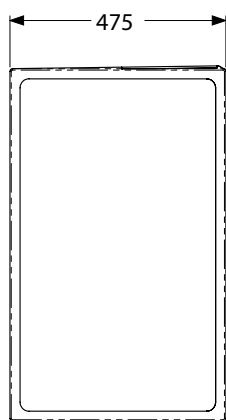

Door Threshold Ramp 77mm	25064
Door Threshold Ramp 156mm	25065
