

Product Overview:

Four Zone Touch Control Induction Hob

Features:

- Front control
- 9 power levels
- Easy clean surface
- Residual heat indicators
- Electronic touch control
- Power share system
- LED display
- Timer
- Safety key lock
- Auto safety switch off

Benefits:

- Induction hobs provide maximum safety as heat is not activated until a pan is placed on a zone
- Front controls provide easy access
- Residual heat indicators give clear warning if zones are still hot after use
- Timer can be used to prevent the hob being left on unnecessarily
- Clear LED display provides visual feedback

Guarantee:

- 5 year manufacturer's warranty on parts and 2 years on labour (see manufacturer for details)
