

## Product Overview

A premium quality, off-white, ready mixed polymer based, thin-bed tile adhesive

## Features

- + Ready mixed base
- + Suitable for fixing most types of ceramic wall tiles
- + Excellent grip properties
- + Easy to apply with spreading characteristics
- + Drying time of 24-72 hours\*
- + SUPER-GRIP will cover at a rate of approx. 2-3Kg/m<sup>2</sup>
- + Suitable for use with all internal wall tiles

## Benefits

- + Ready mixed base removes the need to add water and mix to achieve a slump-free mortar
- + Suitable for internal locations such as bathrooms, kitchens and domestic shower areas
- + Excellent grip properties reduces the need for support battens
- + High spreadability for a quicker install
- + A tub of 20kg offers between 6-7 m<sup>2</sup> coverage. A typical sized bathroom installation is 6m<sup>2</sup> and so only one tub should be enough with some extra for future installations within 12 months only

## Product Codes

Bond-it Premium Ceramic Tile Adhesive 15KG 30127
