

## Product Overview

The Navlin back-to-wall toilet pan has been designed to offer an ultra-minimalist aesthetic and can be installed independently or with our range of contemporary AKW bathroom furniture.

Featuring a fully compliant concealed cistern and a clever rimless toilet pan which helps to improve hygiene, the Navlin back-to-wall toilet pan is available with two seat options and a recessed flush button.

AKW Navlin and Navlin Doc M sanitaryware ranges have been designed with compatibility in mind, allowing you to create a contemporary bathroom that expertly caters to a variety of needs.

## Features & Benefits

- + Rimless toilet pan with direct flushing technique offers improved hygiene levels by reducing the build-up of bacteria and making cleaning easier
- + Pan can support up to 60st (400kg) to cater to a wide variety of users
- + Rounded edges and corners reduce the risk of injury in the event of a trip or fall
- + BS EN 997 approved toilet pan for guaranteed flush performance
- + Two contemporary seat options - Carbamide model offers extra strength and durability, with our polypropylene PP seat a stylish, cost-effective solution - both feature soft-close hinges which are slower, quieter and safer for users, and support up to 23.5st (150kg)
- + Designed for use with a concealed cistern, which keeps unsightly pipework hidden for a more modern, streamlined look
- + Compatible with AKW fitted bathroom furniture, with all WC units including a cistern and recessed flush button

navlin

Navlin Back-to-Wall Toilet Pan with Carbamide Seat

- + Can be installed as a low-level WC with the addition of a low-level cistern and flush pipe
- + Low-level cistern offers full (6 litre) and reduced flush options to increase performance and water efficiency
- + Horizontal outlet waste connection for easy installation and maintenance
- + Includes easy-to-secure, two-point, side-entry floor fixings which reduce the build-up of dust and bacteria, are easy to clean, and are supplied with white cosmetic caps to prevent rusting

## Back-to-Wall Toilet Pan

- + Supplied with fixing kit as standard
- + Pan, seat, concealed cistern (inc. flush mechanism) or low-level cistern (inc. flush mechanism) supplied separately; cistern and recessed push button flush are supplied with all AKW WC units within our bathroom furniture range
- + Components individually packaged in recyclable materials to prevent damage during transit

### Guarantee & Approvals

- + Lifetime warranty on pan, cistern and seat
- + 10-year warranty on flush fittings
- + Conforms to BS EN 997 and current UK Water Supply (Water Fittings) Regulations
- + WRAS approved cistern fittings
- + AKW are self-certifying and supplying approved flush fittings in line with current UK water regulations for compliance purposes
