

A Stylish Cubicle that Offers Multiple Solutions

**ONXX**  
CARE POD

# The Quick-to-Install Product that **Answers** **3 Problems** You Could Be Facing:

## Problem 1

DFG and Social Landlord funded bathroom adaptation backlogs and pressures:

- + 5-7 days to adapt a traditional bathroom to a wet room
- + Shortage of labour

## Problem 2

DTOC's 'Delayed Transfers Of Care' where unsuitable bathing and toileting at home is the main reason or an additional factor for patients being discharged from hospital\*

## Problem 3

Some private landlords and Housing Associations are concerned that a wet room may:

- + Limit re-letting appeal and speed to re-let
- + Cost money to remove
- + Cause water damage if not installed correctly

## Answer

**The Onyx Care Pod provides two solutions to the above problems:**

- + Bath out shower in (BOSI)
- + Freestanding cubicle / en-suite

\*NHS DTOC statistics suggest = c 5%-10% of DTOCs

One of the many fantastic benefits of the **Onyx Care Pod** is that cubicle installation is possible within **just two hours** where water, waste and power are provided. This allows for a **full adaptation** to be completed within two days, vastly **reducing inconvenience** and **fulfilling the needs** of the end user much faster.
